Bespoke Exclusive Historic Elegant

A picturesque setting where fairytale romance combines with heritage and hospitality

Based on years of expertise our skilled team at Hagley Hall provides a bespoke service, warm hospitality and fine dining within a stunning and unique location, all designed to enhance the magic of your special day.

Civil Ceremonies

At Hagley Hall we understand that the ceremonial room needs to be perfect for so special an occasion. Therefore we have been careful to license a selection of State Rooms so that no matter what your requirements you are sure to find a room that suits your wishes.

The Saloon, with its ornate plasterwork, offers the most beautiful and historic setting with quintessentially English views of the village church and cricket ground. With ninety chairs arranged in theatre style and further standing room for up to 10 guests you still have plenty of room for a generous central isle.

If your numbers are up to 120 then the Gallery with its breathtaking chandeliers and enchanting views of the deer park makes for a fairytale setting and, at 26 meters long, is perfect for showing off your wedding dress!

For smaller numbers, the Library offers intimacy and romance and provides a wonderfully snug atmosphere for as few as two.

Champagne Receptions

After the ceremony enjoy champagne and canapés in the White Hall. Natural sunlight illuminates the hall and its wonderful arched lobby and scagliola figures of the Gods, including Bacchus and Venus, provides a warm and romantic venue for toasting the newly wedded couple.

Wedding Breakfasts

The versatility of Hagley Hall allows us to accommodate your every desire to make sure you get the exquisite dining experience that you deserve on your special day.

The Gallery, decorated with its oyster coloured, silken wall coverings, seats 110 with a traditional top table and round tables of 10.

For smaller parties the Saloon can seat 60 on round tables and the richly decorated Crimson Dining Room, overlooking the front lawn and beyond to the rolling hills of Worcestershire, is ideal for intimate dining for up to 28.

“Whatever you choose you can rest assured your special day is one that you and your guests will remember forever.”

The Hall's picturesque parklands provide the perfect backdrop to a day that will be set in your memory forever...
